

Ross Organic – Research & Development Chemist Santa Fe Springs, CA

Ross Organic has an immediate opening for a R&D Chemist in our growing laboratory. The position reports directly to our VP of Technology and full training is provided. We support SCC Membership as well as attendance at industry sponsored training events. This is an excellent entry level position for a chemist looking to work for one of the most respected organizations in the region.

Ross Organic, now part of the **Azelis Americas** family, has one of the best corporate cultures and provides top notch employee benefits. If you are interested in becoming a part of our great team, please send an email and resume to **careers@rossorg.com**
